Use of funding	Planned Provision	Success Criteria	Cost	Impact and Evidence
To increase the engagement of all pupils in regular physical activity (including identified disadvantaged pupils)	Analysis of clubs. Specialist Sports Coaches to run lunch time sports clubs Lunchtime play equipment to be replenished.	All children are active every day. Children are motivated to be active and fitness levels improve. Children become involved and interested in a new sport.	£8000	A Heat map was produced identifying times in the day when pupils were active/inactive. The use of the daily mile and utilisation of Atlas Sports has improved the activity levels during play and lunch times. A large number of new lunchtime play equipment was purchased and is used to support more engagement through high quality resources.
To increase the profile of PE and sport being raised across the school as a tool for whole school improvement.	Begin consultations with Atlas Sports to construct Whole School PE Long Term Plan. Sports Leaders to organise PE equipment for PE lessons and take more of a lead in sessions. Continue to advertise clubs, sporting events, success on website, twitter etc.	Whole school PE Long Term Plan will be up and running and shared with all staff. PE lessons will always be organised and ready to start straight away due to Sport Leaders organising PE equipment for lessons. Sports Leaders will run warm ups and cool downs in lessons.	£5000	PE long term plan written and shared with staff. This allows the careful mapping of each area to ensure wide coverage of a range of sports.
To increase confidence, knowledge and skills of all staff in teaching PE and sport.	Specialist PE teacher (Atlas) to deliver CPD to staff in areas. PE Lead to ensure PE PALS are being used effectively.	Staff will be confident in areas identified as weakness in Staff Survey. All Staff will be using the PE PAL effectively to deliver lessons and assess children.	£3000	Atlas have continued to run high quality CPD for all staff in a range of sports according to need expressed in staff audits.

Use of funding	Planned Provision	Success Criteria	Cost	Impact and Evidence
To broaden the experience of a range of sports and activities offered to all pupils.	Increased Participation in a wider range of external provision (District, school games and cluster).	Children will take part in Basketball, Handball and another Swimming Gala as well as all the £200 other regular sports we take part in	£200	Children participated in Handball competitions as well as all District Sports. The school were once again Large School District Sports Champions.
To increase participation in competitive sport.	Increased percentage of children across represent Bussage in competitive sports across the whole school.	PE lead will enter KS1 children into competitive sport. Year 3 and Year 4 teachers will take Lower KS2 to competitions.	£1000	KS1 participated in Hand ball competitions and In the Y6 Leaver survey of July 2022 over <b>90%</b> of children had represented the school in a competitive sport during their time with us.
To ensure that all Year 6 children can swim 25metre competently before primary school	Swimming lesson will be organised for Year 5 and Year 6 children.	Year 6 children will be able to swim 25metres competently before leaving Bussage.	£0	Catch up sessions for swimming were set up for children in Year 6 unable to swim 25m. <b>73%</b> of Year 6 children achieved 25m although the anecdotal evidence is that all children benefitted from the lessons.
