

PTA Update from the Chair, David Turner:

Hope everyone had a good half term break. You may have noticed but work on the Tranquillity Garden started just before half term and Bruce has made such a difference already. **We do need help from some willing volunteers to help move some of the waste to the skip.** So, if anyone has a wheelbarrow and sometime to help, my thinking is doing something on the 18th November at the same time people are up supporting the ChalCAN initiative. If you can spare some time, can you email the Chair mailbox on bussageprimarypta@hotmail.com.

Focus continues on the remaining events for the year and you will see below the Christmas Shindig on the 8th Dec where Father Christmas will be making a special appearance.

Our Wreath Making event on the 30th November is fully booked.

Please find below the details of the remaining 2023 events:
