Please bring your child into the hall via reception and find your child's name label.

We will collect the children from the hall and take them into the Rainbows classroom.

At the end of the session please collect your child from inside the Rainbows courtyard.

HOME VISIT

A great way for us to meet you and your child in a relaxed and informal way.

We are happy to be led by your child, they might want to show us their bedroom, their favourite toys, play a game or introduce us to their pets!

During the visit we will also:

- Have time to talk about your child
- Hand out an 'All about me' bag that your child can decorate and fill with a few special items to share with us once they start school
- Give you the opportunity to ask any questions you may have.

These visits will be taking place on
Tuesday 3rd September and Wednesday 4th September.

They are not compulsory but if you feel your child would benefit from a visit then please sign up at the back of the hall for your preferred day and time.

All the children will start school on Thursday 5th September on a part-time basis.
It really is the best possible start for your child for these reasons:

- The staff will get to know your child individually
- It allows time for your child to feel settled and confident in their new environment
 - It's a gradual introduction to the routine of the school day
- The children have the opportunity to make new friends in a smaller group

Details of how your child will be starting is in your information pack.

Please note that for the first week Rainbows morning sessions will be

9.30am until 11.30am and afternoon sessions will start at 1.15pm until 3.15pm

OUTDOOR LEARNING

Outdoor learning is very important to us in Rainbows and we spend as much time as we can learning outdoors.

The children have continuous free flow access to the outdoor areas and we have Forest School sessions weekly.

Please remember your child will need a coat and welly boots in school everyday. In the winter they will also need a warm hat and gloves and in the summer a sun hat.

We also have a class pack of waterproof trousers which allows us to be outside come rain or shine!

'SNACK SHACK'

This is a rolling snack time between 9.30-10.20am.

Children can choose to have their snack at any point during that time, if by the end of the session your child has not had their snack, they will be encouraged to come to the table to eat.

Children are able to choose from free fruit which is provided by school, or they can have a piece of toast for a small cost of £3 per term. Children can have both fruit and toast if they wish!

HOW CAN I HELP?

The Rainbows team top tips!

'The road to School'

Please don't panic if your child isn't doing all of these things or not yet showing an interest in learning their numbers or writing their name etc, every child develops differently so rest assured we will get them to where they need to be!

PLAYING AND EXPLORING

Developing an inquisitive, curious and confident child starts with mini-adventures. We aim to complete as many of these experiences in Rainbows but you could make a start this summer.

Playing with your child is one of the most important things you can do to support their development. The time you spend playing together will help them learn all sorts of things – from counting and writing, to exploring and making new friends.

Our list of 50 things to do before you're 5 will give you lots of ideas to support your child's learning through play - Complete it online or print it off, stick it on the fridge and tick off each activity!

Share and upload photos of you and your little ones achieving each of the 50 things to the TLC Facebook page and once you've completed the list, download your own 50 things to do before you're 5 certificate from the TLC website.
